🪪 PROFILE

Motivated Project Management Intern with a solid background in software engineering and proven leadership in guiding cross-functional teams. Skilled at managing technical projects from planning to execution, ensuring timely and successful delivery. I bring a unique combination of technical expertise and project management skills, excelling in organization, problem-solving, and fostering collaboration to meet project goals. Driven by a passion for applying my knowledge to real-world challenges, I'm eager to continue growing in project management and contribute meaningful value to a dynamic, results-driven team.

🗀 PROJECTS

Smart Lottery Checker - Group Project
Lottery Checking System
- In this project, I was Contributed to backend development using Python and Flask, ensuring clear project documentation with Jira. Collaborated closely with a 4-member team to track progress and maintain communication through Slack, leading to timely project completion.
- Tech Stack: Python, Flask, Jira

Derma AI - Group Project
Skin Disease Analysis Mobile Application
- In this project, I was responsible for Managed project workflow and documentation for a 5-member team using Trello and Python-Flask to develop a mobile app for skin disease analysis. Achieved all milestones two weeks ahead of schedule, ensuring a smooth development process.
- Tech Stack: Flutter, Python, Flask, Trello

Sabaragamuwa University Journal of Computer Science (SUJCS) Revamp - Group Project
Web System Revamp
- In this project, I Developed the frontend using HTML, CSS, and JavaScript, improving the user interface for enhanced engagement. Managed all project documentation and collaborated with the team to ensure seamless deployment and system performance.
- Tech Stack: HTML, CSS, JavaScript

Fairy Women Safety Application - Group Project
Women Safety Application
- In this project, I Led a 5-member team in developing the frontend of a women safety app using Dart and Flutter. Managed progress via Notion and facilitated communication using Slack, resulting in the successful delivery of the project 10% under the projected time.
- Tech Stack: Dart, Flutter, Notion

⚲ VOLUNTEERING EXPERIENCE

Secretary, **Executive Board 2023/2024**- IEEE WIE Affinity Group of Sabaragamuwa University of Sri Lanka

University Co-Lead - STEMUP Volunteering Organization

Event Coordinator, Coolest Project Sri Lanka - STEMUP Volunteering Organization

Committee Member - Society of Computer Sciences, Sabaragamuwa University of Sri Lanka

Secretary Team Lead, Code Night - Inter Faculty Hackathon - Society of Computer Sciences, SUSL

OC Member, IEEE Jamborieee Event - IEEE Student Branch, Sabaragamuwa University of Sri Lanka

⚙ CERTIFICATES

Google Project Management: Professional Certificate - Reading ⧉

Microsoft Business Analyst Professional Certificate - Reading ⧉

Human Resource Management: HR for People Managers Specialization - Reading ⧉
University of Minnesota

Machine Learning Foundations for Product Managers - Reading ⧉
Duke University

⊛ ACHIEVEMENTS

Runners Up ⧉
Pearlhack 1.0 - Inter-University Hackothon
Organized by IEEE WIE Affinity Group of Sabaragamuwa University of Sri Lanka

Runners Up ⧉
University-Industry Engagement Camp
Organized under the ERASMUS+ funded FOUNTAIN project by Horizon Campus

Runners Up ⧉
INSL 2023 - Sabaragamuwa Province
Organized by IEEE Student Branch of sabaragamuwa University of Sri Lanka

Finalists ⧉
Hack Like a Girl, Inter-University Hackothon
Oraganized by SLASSCOM
